To the Michigan Senate Natural Resources, Environment and Great Lakes Committee,

As a Michigan resident, I am concerned that while wolves have been de-listed and are now managed at the state level, they have not fully recovered and still need protection. Please vote NO on HB 5834, which would add wolves to the list of game animals in Michigan.

Thank you for your support in protecting Michigan's wolves. PLEASE VOTE NO ON HB 5834.

Thank you,
